The first of the year was a very busy one for the office. We had a number of new cases to deal with and the work was very heavy. The staff was very efficient and we were able to get everything done in a timely manner.

For the month of June, the weather was very pleasant. We had a number of people who came to the office and we were able to get a lot of work done. The staff was very helpful and we were able to get everything done in a timely manner.
